## Acimac Quality Mark

A/QM-01/N° 0001

**Ceramic Machinery  
Product Standard A/QM-01**

It is hereby certified that the following machines/equipment for the ceramic industry:  
**RE-ENTERING PUNCH MOULDS - MIRROR MOULDS - TRANSFER MOULDS**

produced by company:

**LEMA SRL - Lavorazioni Edilmeccaniche - Albavilla**  
Via Civati, 5 - Albavilla (CO) - ITALY

have been verified by a team of ACIMAC/TÜV Italia inspectors and have been found  
to meet the requirements of the ACIMAC/TÜV Italia standard:  
**"Ceramic Machinery - Product Standard A/QM-01 ST 01".**

The aforesaid machines/equipment, for which certification is verified and  
monitored by TÜV Italia, are therefore granted  
the **ACIMAC QUALITY MARK**

This certificate remains valid provided the required monitoring checks  
are carried out with positive results.
